If the insured has not made any claim during the Free Look Period, the insured shall be entitled to (i) a refund of the premium paid less any expenses incurred by the Company on medical examination of the insured person and the stamp duty charges; or (ii) where the risk has already commenced and the option of return of the policy is exercised by the insured person, a deduction towards the proportionate risk premium for period of cover; or (iii) where only a part of the insurance coverage has commenced, such proportionate premium commensurate with the insurance coverage during such period.
